

- The quiz competition will have three rounds: the 1st round, 2nd round and the final round.
- The first round will take place at four venues across the island on 16th March 2024.
 1. Colombo: Isipathana College
 2. Kandy: Kingswood College
 3. Anuradhapura: Anuradhapura Central College
 4. Matara: St. Thomas College Matara
- Each team must attend the closest venue from the list above.
- Each school can send up to three teams to the quiz competition.
- Each team must have five members.
- The questions for the first round will cover five main topics in astronomy: Cosmology, Planets, Stars, Galaxies, and the Solar System.
- The questions will be available in English, Sinhala, and Tamil.
- The top 20 teams from the first round will qualify for the final round.
- Electronic devices are not allowed during the quiz competition. Only scientific calculators are permitted.
- Teams must register for the quiz competition through an online portal. Click [here] to register.
- Updates about the quiz competition will be posted on the website and the WhatsApp group.
- The minimum number of participants per team is two. However, no extra time will be given for teams with more than two members.
- If a team has a doubt about any question, they can discuss it with the judges who will be present at the venues.
- The rules and regulations for the second round and the final round will be updated soon.
